

# TOWARDS AN ENTERPRISING YOU

## Industry and Enterprise Units 1&2

By Michael Carolan & Susan Bendall New 2nd edition for 2008

“Fresh, updated and current. The groundbreaking and student-friendly Industry and Enterprise text book that students and teachers love to use.”

**Towards an Enterprising You** has been specially formatted and designed to follow the topic structure of the re-accredited **Industry and Enterprise** units 1&2.

The unique topic structure and layout allows you to also use **Towards an Enterprising You** for your **VCAL Work Related Skills** Foundation and Intermediate units as well as for middle school and senior Careers, Pathways, MIPS, work and enterprise education courses.

So if you run **Industry and Enterprise** 1&2 as either a stand-alone subject, or as units or a unit offered for Years 10s or Year 11s, then **Towards an Enterprising You** provides all your careers, vocational, pathways and enterprise education resources needs.
